

HARTNELL HAPPENINGS DECEMBER 2024 EDITION

Welcome to the December edition of *Hartnell Happenings*! As the semester winds down, Hartnell is excited to bring the latest updates on the progress of the One Hartnell initiative. This month, celebrate the power of collaboration, the dedication of the task forces, and the exciting milestones reached along the way. Remember, real-time updates and deeper insights are available at the [One Hartnell Microsite](#).

OVERVIEW OF ACCOMPLISHMENTS

One Hartnell Progress Updates

Task Forces have been exploring how their roles will shape the future of One Hartnell, these teams are narrowing their focus by understanding the needs of the Hartnell campus community and drawing on best practices from other institutions to inform their next steps. Guided by a clear framework, they have been refining their strategies and are on track to deliver final feedback before winter break. Currently, Swim Digital Group is in the midst of analyzing the feedback provided by these task forces and developing tactics and timelines to ensure effective implementation in the spring semester.

Meanwhile, the Development Teams have dedicated their time to defining their roles and responsibilities within the One Hartnell framework. Supported by Change Management, these teams are carefully reviewing communications and content to ensure alignment.

The dedication and collaboration across our teams continue to exemplify our shared commitment to Hartnell's success and the future it promises for our community.

NOTABLE IMPACTS

Spotlight on Impact: Veterans Appreciation Week

Hartnell recently celebrated **Veterans Appreciation Week** (November 4-11) with a series of heartfelt events honoring local veterans and their families. The week featured a range of activities, including brunch, a film screening, a “pan and cafecito” gathering, and the cherished annual Veterans Day parade in downtown Salinas.

“These events allow us to highlight the unique experiences of our veteran community and the invaluable resources we offer through the Veterans Resource Center,” shared Gemma Uribe-Cruz, Veterans Counselor. Members of the Hartnell community echoed her sentiment, emphasizing the importance of fostering an inclusive environment where veterans’ diverse perspectives are celebrated and respected.

We are proud to have hosted this week of connection and gratitude, and we extend our heartfelt thanks to all who participated.
